

After-School All-Stars Track & Field - Meet Schedule 2025

Track meets are meant to provide a fun introduction to the track environment. Emphasis should remain on participation, skill-building, and sportsmanship over competition. The After-School All-Stars program is a recreational sports opportunity open to all kids, regardless of skill level or ability – Individual development, increasing knowledge of the sport, and fun come first.

Elementary District Meets

All schools compete, times & measurements will be recorded by coaches for individual development purposes
