Summer Fun!

Hydration and Nutrition Awareness

Camp Venture is a non-stop adventure. With hiking, swimming and outdoors activities on the schedule each week, it is important that kids eat nutrient rich food. We are inspiring young adventurers to stay hydrated and healthy this summer. Please help us by sending your children with water/ re-useable bottles and healthy food.

Summer Camp Must haves

As we embark on our daily adventures, remember that we live in Oregon and the weather changes quickly. For this reason our schedule can change daily and weekly, please come prepared with the following items each day.

- A Nutritious Lunch
- 2 water bottles
- Sunscreen/ sun protection
- Jacket
- Swimsuit, sandals, and towel
- Comfortable hiking shoes and athletic clothing
